PART #3: INSTRUCTIONS

The vendor shall neither commence any work, nor enter a County work premise, until a Work Order or Purchase Order directing the awarded Bidder to proceed with various items of work has been received from any authorized County representative; provided however, that such notification shall be superseded by any emergency work that may be required in accordance with provisions included elsewhere herein.

Assignments of less than two hours will be covered by a single interpreter; except in the case of unusual circumstances when other arrangements are approved by the requesting County department. The interpreter shall arrive 10 to 15 minutes prior to the assignment start time, at no additional charge to the County.

The vendor shall provide the name of interpreter, as listed in their proposal, within 48 hours of the assigned start date. If the awarded Bidder indicates their inability to provide a requested interpreter, or fails to provide the name within 48 hours, the County reserves the right to procure services as deemed necessary.
